- Algebra (1, 1A, 1B, Honors)-- Test Name: SRC-23-MA-Alg1-A
- Geometry/Geometry Honors-- Test Name: SRC-23-MA-Geo-A

End of Year Standards—The available results are based on end-of-year expectations and therefore a beginning of the year score will most likely be below expectations. As instruction is delivered, future results should reflect an increase in learning.

Access to Results

Progress Learning is the platform utilized to test students in the subject areas of science, social studies, and high school math. Results for these tests can be accessed through your student's Progress Learning site by way of your home devices and the Santa Rosa County School District page.

1. Access ClassLink
2. Click on the Progress Learning icon.
3. At the left of the screen click on "Graded Work". Graded assignments will appear.
4. In the list of assignments, locate the name of the test and click the blue View button.
 - a. The results will be provided by needed practice, Domain and Standards with question breakdowns in graphical form.
